

A stylized map of the North Sea region, including Denmark, Germany, and the Netherlands. The map is set against a circular background with a blue wavy pattern representing water. Landmasses are shown in a light beige color. A specific area in the northwest of Denmark, around the Aggersund and Nissum Bredning, is highlighted with a thick brown outline. Two labels with white boxes and black text point to this area: 'AGGERSUND BROEN' and 'NISSUM BREDNING'. In the upper right, there is a title 'STORMFLODEN' followed by the dates 'D. 10.-11. JANUAR 2015'. Below this, a legend entry shows a brown square followed by the text 'UDPEGET STORMFLODSOMRÅDE PR. 12.01 2015'.
